FULLSTACK WEB DEV || PROJECT MANAGER || SYSTEM ANALYST

085244211946 | rizalmc10@gmail.com | <https://www.linkedin.com/in/fachrizal-kurniawan-84255525b/> | <https://efkaku.github.io/> .

Yogyakarta, Indonesia

Worked as an IT Specialist at BPRS Dana Hidayatullah for one year, responsible for managing and enhancing the company website and internal IT systems to support daily operations. Developed and maintained the company's official website from development to deployment using modern web technologies, ensuring reliable access for public information services. Maintained IT infrastructure and provided technical support for hardware, software, and network issues across departments. Prepared weekly and monthly reports to monitor system performance and operational stability, while continuously improving system reliability, security, and process efficiency to support smooth business operations.
